Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner of Patents and Trademarks

Art Unit: 3303

DETAILED ACTION

Response to Amendment

1. The reply filed on 5/30/2001 is not fully responsive to the prior Office action because of the following omission(s) or matter(s): Although arguments are presented which point out the alleged differences in the intended use of the instant invention as compared to the intended use of each of the references cited by examiner, nowhere is there given any reasons as to why the claims as presented by applicant are not anticipated by the art of record. Applicant should submit a supplemental response containing such reasons to make the amendment fully responsive.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given a TIME PERIOD of **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Art Unit: 3303

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Nick Lucchesi whose telephone number is (703) 308-2698.
